Hi Kayleigh –

Do you have time to chat tomorrow? There was a mass-mailer that distributed grossly false information to all proposed property owners in the proposed district. This mailer, in tandem with some non-committal large property owners, has made the co-chairs wary of pursuing the Petition drive at this time.

They're interested in waiting until they feel 100% confident that the vote will be successful.

Would love to bring you up to speed if you had time to discuss.

Cheers,
Jonathan
